

WORLD ENVIRONMENT DAY, 2019

Institute of Forest Biodiversity (IFB), Dulapally, Hyderabad.

On Occasion of the World Environment Day, (5th June) Institute of Forest Biodiversity (IFB) conducted various programmes. On 3rd June painting competition was held at IFB Training Center for the school children. In the afternoon session Quiz competition was conducted.

A Rally was organized in IFB Campus in which Director IFB, Sri D. Jayaprasad, Municipal Commissioner of Kompally, Mrs. M.N.R Jyothi, Municipal Commissioner of Dundigal, Mr. Suresh & Principal of Malla Reddy Engineering College, Dr. S. Sudhakar Reddy and all the IFB Staff participated. Planting activity was taken up by the Director IFB, guests, staff and school children to develop Greenery in the campus.

In his address Mr. D. Jayaprasad, IFS, Director, IFB explained about the theme of the World Environment Day 2019, “Air Pollution” and emphasized on the importance of beating Air Pollution. He stressed upon the importance of the green vegetation to be raised and sustained for the future generations. He created good awareness among the youngsters by saying that without trees human population cannot survive whereas trees can survive without human beings. Dr. Ratnaker Jawhari, IFS, CF explained to the students about the genesis of World Environment Day. Dr. Pravin Chawhaan explained in detail with aspects of air pollution & plastic pollution.

Dr. S. Sudhakar Reddy, Principal of Malla Reddy Engineering College emphasized that controlling air Pollution is very important. He informed that he will involve his college students for various awareness campaigns in this regard.

Mrs. M.N.R. Jyothi, Municipal Commissioner of Kompally has delivered a lecture as to how to make use of waste disposed as bio-fertilizer in residential areas. She insisted that every child should take care of planting by pouring water daily to sustain the growth of plants planted.

Dr. H.C. Mishra, IFS Retd., and Mr. A. Pappan elaborated on the theme of the day with an appeal to conserve our forest and to restore the cleanliness of air by taking various suitable steps in this regard.

Prizes were distributed to the winners of Painting and Quiz Competition from students. The programme was conducted by Extension Wing.

The meeting was concluded with vote of thanks.
