

## **INSTITUTE OF FOREST BIODIVERSITY (IFB), HYDERABAD**

**March, 24<sup>th</sup>, 2021**

### **A Report on Seminar by Dr. R. G. Venu, MBBS, Hyderabad held on 24<sup>th</sup> March, 2021.**

As part of seminar series, a seminar on “COVID-19” has been organized on 24/03/2021 in the Conference Hall of the Institute of Forest Biodiversity, Hyderabad. The seminar started with brief introduction on the topic by Dr. Deepa M., Sc-D, Head of Extension Division, IFB, Hyderabad. Dr. Ratnaker Jauhari, IFS, Director, IFB, Hyderabad presided over the seminar. The speaker of this seminar was Dr. R.G. Venu, MBBS, IFB Hyderabad. Keeping in view the present Covid-19 pandemic situation, the guidelines of MoH & FW, GoI and Telangana State Government were followed. A total 20 members of officials from IFB participated in the seminar.

The seminar started with brief introduction on the topic about COVID – 19 and its current scenario. Dr. R. G. Venu, MBBS also explained about the various possible symptoms for the disease, preventive measures, hygiene and the habits to adopt in order to avoid getting infected.

He discussed in detail about the different precautions like using mask, maintaining social distance, regular washing/ sanitizing the hands and any consumable item(s).

He mentioned about the symptomatic treatment if required and approaching the doctor/Hospital in case of any signs of severe symptoms or emergency.

He spoke about the importance of Vaccine(s) for COVID – 19 and relevant things to remember even after getting vaccinated.

The seminar concluded by vote of thanks by Dr. Ratnaker Jauhari, IFS, Director, IFB, Hyderabad.
